## \$3.8 million raised for Hospitality House

In January 2011 when the Hospitality House opened its doors to its first guests, Commonwealth Health Foundation celebrated a dream they had envisioned for many years. Six months into the Hospitality House's operations, the Foundation once again celebrated, this time for the completion of its first capital campaign.

Mike Murphy, Chairman of the Extending Home Capital Campaign Steering Committee

The campaign raised more than \$3.8 million for the construction and furnishing of the Hospitality House and the establishment of an endowment to help fund ongoing operation. The original goal was \$3 million. The success of the campaign was made possible with the support of individuals, businesses and organizations throughout Southcentral Kentucky.

"We are grateful to those in our community who made the dream of opening the Hospitality House a reality," said Connie D. Smith, President and Chief Executive Officer of Commonwealth Health Corporation. "Families of critically ill patients being cared for at The Medical Center and Commonwealth Regional Specialty Hospital now have a place where they can rest and re-charge between visits to a loved one."

"This beautiful facility is a testament of your faith in our mission and of your generosity to our community," said Mike Murphy, Chairman of the Extending Home Capital Campaign Steering Committee, during a special open house for donors held June 21. "From the bottom of my heart, I would like to say thank you."

In addition to 12 private guestrooms and baths, the Hospitality House features a large kitchen and dining room to accommodate multiple families, a prayer room, a community room with comfortable furnishings, and a business center with computers and internet access. There is not a charge to stay at the Hospitality House; however, donations to help support the operation of the House are gratefully accepted.

The Foundation will continue to solicit funds to increase the endowment needed to maintain operations of the Hospitality House. To learn how you can help, contact the Foundation at (270) 796-5543 or visit [www.hospitalityhousebg.org](http://www.hospitalityhousebg.org).
